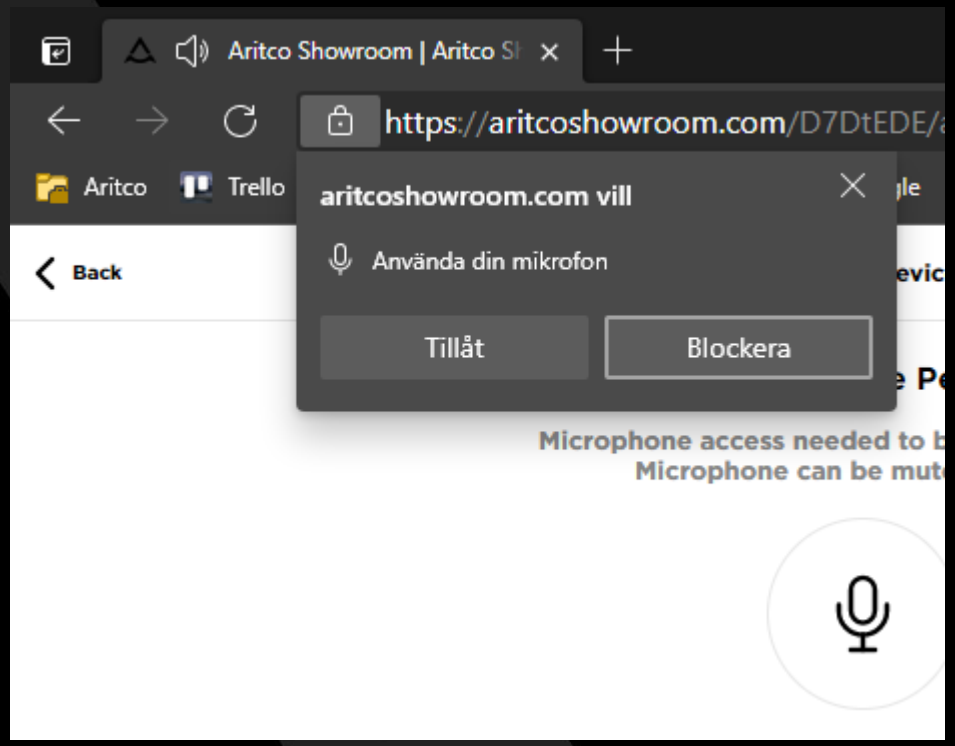
STEP 6

On the top right of your screen you will see a permission request to use your microphone.

This will allow you to talk to other guests in the room.

Lets click ”Accept” and continue.



STEP 7

Here you can see a summary of your microphone setup before entering. Make a sound to see if ”Talk to Test” is reacting or click on ”Click to Test Audio” to see if your sound output works. Make sure ”Mute My Microphone” switched to off, so that people can hear you.

Lets proceed by clicking ”Enter Room” and continue.
